Every year KRCB conducts a Community Appearance Index Judging Tour. The purpose of the judging tour is to monitor and track litter, graffiti, illegal signs, abandoned/junk vehicles and outside storage trends throughout the City of Riverside. Results from the CAI are used as research for prevention programs within our schools, public awareness, and KRCB Beautification projects throughout the year.

Judges are comprised of KRCB Staff, KRCB Advisory Board Members, city employees, and the community (optional). Judges will score up to five (5) sub areas in all of the seven (7) Riverside council wards. The sub areas are up to one mile and consist of the following locations: residential, mall/shopping center, school, park and business district. The following charts provide an individual breakdown of litter, graffiti, illegal signs, abandoned/junk vehicles and outside storage in the seven Wards and the five sub-areas in each of them.
